## DESCRIPTION OF PROJECT:

Situated in the thriving town of Braintree and bounded on two sides by open space, these 42 units are formed on two plateaus created by the infilling of two former fishing lakes.

Sympathetic use of the site's ground conditions and landscaping, coupled with award winning design have resulted in a cracking development by Mulberry Property Developments Limited.

## OUR INVOLVEMENT:

Ideally suited with our groundworks and civils experience, we provided general developer surveying and materials purchasing duties.

Responsible for all programme, administration and payment for works carried out, along with cost control, project planning and commercial subcontract and procurement management.
